Bring your Title IV-Part A initiative to life with a program proven to improve children's health and academic performance!

The OrganWise Guys is a scientifically-proven program that:

- Improves students' FCAT test scores
- Improves children's health in a statistically significant manner
- Includes the whole school environment in health promotion
- Is linked to STEM, Health & PE and Florida academic standards
- Is flexible, easy-to-implement and keeps kids on task academically
- Brings health education to life in any setting
- Is available in Spanish for PreK-2nd grade

The OrganWise Guys is now available in a DIGITAL PLATFORM!

Whole school, whole community, whole child health and wellness programming (PreK-5th grade)

Call us to discuss your needs and which option works best for your school(s) - *physical items and/or digital platform.* We will be happy to provide a plan that meets the goals and budget objectives for your school or district!
