

Safe and Healthy Schools Approach

Suggested Data Sources

Best Practices

1. Compare baseline year figures to figures after program implementation.
2. Conduct surveys and summarize results.

Additional School District Personnel Hired (Data Management Information Systems Specialist, Graduation Coach, Guidance Counselors, Instructional Aides, Physical Education Teachers, Prevention Specialists, Resource Teacher, Social Emotional Learning Specialists, Social Workers, Student Intervention Specialists)

Number of additional school district personnel hired and job titles

Afterschool Programs

Number of students enrolled in afterschool programs

Student surveys at the end of the school year

Bullying Prevention Activities/Programs/Campaigns (*Olweus, No2Bullying, Student Campus Life*)

SESIR – Number of bullying incidents

School Climate Surveys

Community Partnerships/District Advisory Council

Meeting minutes

Educational Field Trips

Number of students participating in field trips

Student field trip surveys

Health Education Programs (Nutrition, culinary arts, sexual health, substance abuse prevention)

Student Assessments

Health Screening Programs

Number of students screened

Mobile Health Clinics

Number of students served through mobile health clinics

Early Warning System, Multi-tiered System of Support (MTSS) *BrightBytes*

Number of students reached/served

School discipline data

SESIR

Student attendance

Parental Engagement

Number of parents attending/participating in programs

Parent surveys
School Climate Surveys-Parents
Peer Mediation Training/Conflict Resolution
Student survey
School Climate Survey
Physical Education Enhancement
Physical Education teacher survey
Student survey
Professional Development
Number of personnel who attended professional development events
Professional development evaluation surveys
School Safety Equipment Installed (Defibrillator machines)
Number of defibrillator machines installed
Number of students and staff where machines were installed
Social-Emotional Learning Programs (<i>MindUp, Positive Behavioral Intervention Support, Super Social Skills, Restorative Practice Circles, Second Step</i>)
Number of students reached/served
School Climate Surveys
SESIR
School Discipline Data
Student Attendance
Student Mentor Program
Number of student mentors trained
Number of students being mentored
Suicide Prevention Program (PILOT)
Number of students participating in program
Summer Camps/Programs
Number of students enrolled in summer camps/programs
Student surveys
Supportive School Discipline - On campus intervention (OIC)
Number of students reached/served
School Discipline Report
Supportive School Environment (<i>Check and Connect, Project Achieve, Ripple Effects</i>)
Number of students participating in programs
School Climate Surveys
SESIR
School Discipline Report
Student Attendance

Security Camera Installation
SESIR
School Discipline Report
Security Check-in/Level 1 Background Check System
Number of adults screened
Transition/Bridge Programs (6th and 9th graders)
Number of students participating in programs
Student surveys
Transition programs for students Involved with DJJ or mental health facilities
Number of students participating in programs
School Discipline Data
Volunteer Portal
Number of volunteers registered
Wellness Initiative
Number of students and staff involved with wellness initiative
School Climate Surveys
